Ordinary Resolution No. 5 – Share Repurchase Mandate

RESOLVED THAT:

(a) for the purposes of Sections 76C and 76E of the Singapore Companies Act, 1967, the exercise by our Directors of all of our powers to purchase or otherwise acquire issued ordinary shares in the capital of the Company (“ordinary shares”) not exceeding in aggregate the Share Repurchase Prescribed Limit (as hereafter defined), at such price or prices as may be determined by our Directors from time to time up to the Maximum Price (as hereafter defined), by way of market purchases on the NASDAQ Global Select Market and/or the Johannesburg Stock Exchange and in compliance with the requirements of Rule 10b-18 under the U.S. Securities and Exchange Act of 1934, as amended (the “Exchange Act”), and under Rule 10b5-1 under the Exchange Act (if a plan is established thereunder), and, in all cases, in accordance with all laws and the regulations and rules of the NASDAQ Global Select Market or the Johannesburg Stock Exchange as may be applicable, be and is hereby authorized and approved generally and unconditionally (the “Share Repurchase Mandate”);

(b) any ordinary share purchased or acquired by us pursuant to the mandate contained in paragraph (a) of this Resolution shall, at the discretion of the Directors, either be cancelled or held in treasury and dealt with in accordance with the Singapore Companies Act, 1967;

(c) unless varied or revoked by our shareholders in a general meeting, the authority conferred on our Directors pursuant to the mandate contained in paragraph (a) above may be exercised by our Directors at any time and from time to time during the period commencing from the date of the passing of this Resolution and expiring on the earliest of:

(i) the date on which the next annual general meeting of the Company is held;

(ii) the date by which the next annual general meeting of the Company is required by law to be held;

(iii) the date on which the share purchases pursuant to the Share Repurchase Mandate are carried out to the full extent mandated; or

(iv) the date on which the authority pursuant to the Share Repurchase Mandate contained in paragraph (a) of this Resolution is varied or revoked;

(d) in this Resolution:

“Share Repurchase Prescribed Limit” means the number of issued ordinary shares representing 10% of the total number of issued ordinary shares outstanding as of the date of the passing of this Resolution (excluding any ordinary shares which are held as treasury shares as at that date), unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Singapore Companies Act, 1967, at any time during the Relevant Period, in which event the total number of ordinary shares of the Company shall be taken to be the total number of ordinary shares of the Company as altered;

“Relevant Period” means the period commencing from the date of passing of this Resolution and expiring on the date our next annual general meeting is held or is required by law to be held, whichever is the earlier;

“Maximum Price” means an amount (excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) which may be paid for an ordinary share purchased or acquired by us pursuant to the mandate contained in paragraph (a) above, not exceeding, in the case of a market purchase of an ordinary share, the highest independent bid or the last independent transaction price, whichever is higher, of our ordinary shares quoted or reported on the NASDAQ Global Select Market or the securities exchange operated by JSE Limited (the “JSE”), as the case may be, or shall not exceed any volume weighted average price, or other price determined under any pricing mechanism, in compliance with the requirements under Rule 10b-18 under the Exchange Act, at the time the purchase is effected; and

(e) our Directors and each of them be and are hereby authorized to do all acts and things (including, without limitation, executing all such documents as may be required, including all filings required to be made pursuant to the requirements of the Exchange Act) as they or each of them deem desirable, necessary or expedient to give effect to the transactions contemplated and/or authorized by this resolution as they or each of them may in their or each of their absolute discretion deem fit in the interests of the Company.

Resolution No. 6 – Authority to issue and allot shares

RESOLVED THAT pursuant to Section 161 of the Singapore Companies Act, 1967, but subject otherwise to the provisions of our Constitution,

(a) authority be and is hereby given to our Directors:

(i) to allot and issue ordinary shares of the Company (“shares”) whether by way of rights, bonus or otherwise; and/or

(ii) to make or grant offers, agreements or options (collectively, “Instruments”) that might or would require shares to be allotted and issued, whether after the expiration of this authority or otherwise (including but not limited to the creation and issuance of warrants, debentures or other instruments convertible into shares) at any time to and/or with such persons and upon such terms and conditions and for such purposes as our Directors may in their absolute discretion deem fit, and with such rights or restrictions as are permitted by our Constitution that Directors may think fit to impose; and

(b) notwithstanding that the authority conferred by part (a) of this Resolution may have ceased to be in force, authority be and is hereby given to our Directors to allot and issue shares in pursuance of any offer, agreement or option made or granted by our Directors while part (a) of this Resolution was in force, provided that:

(i) the aggregate number of shares (including shares to be issued in pursuance of the Instruments, made or granted pursuant to this resolution) to be issued pursuant to this Resolution shall not exceed the number of issued ordinary shares of up to 20% of the number of ordinary shares outstanding as at the date of this Resolution (excluding any ordinary shares which are held as treasury shares as at that date) (the “New Issue Prescribed Limit”) to raise cash for repayment of existing debt agreements.

For the avoidance of doubt, the New Issue Prescribed Limit shall include ordinary shares to be issued as satisfaction of the consideration (whether in full or in part) or for cash to satisfy the above objective(s); and

(ii) such authority shall continue in force until the earliest of

- the conclusion of the next annual general meeting of the Company,
- the date by which the next annual general meeting is required by law to be held, or
- the point at which the maximum number of shares permitted as per the New Issue Prescribed Limit has been reached.

NOTES REGARDING THE PROPOSED RESOLUTIONS

Per our Constitution, Ordinary Resolutions No. 1 through No. 4, inclusive, are routine business to be transacted at the AGM.

(i) Ordinary Resolution No. 1 covers the Singapore Statutory Financial Statements which were prepared in conformity with the provisions of the Singapore Companies Act, 1967 (the “Singapore Companies Act”) which are available to our shareholders as part of our Annual Report, submitted on Form 20F to the Securities Exchange Commission and published on our website at <http://www.karooooo.com> - Financials/Results and Dividends/SEC filings, being not less than fourteen days before the date of the AGM, as required under Singapore law.

(ii) Ordinary Resolution No. 2.1 covers the Directors who are required to retire at the annual general meeting of the Company pursuant to Regulations 89 and 90 of the Constitution, which makes provision for some directors to retire from office at each annual general meeting but, pursuant to Regulation 89 of the Constitution, shall be eligible for re-election at the annual general meeting. Set forth below is a brief biography of Mr Leong, who will be standing for re-election as Director at the AGM.

(iii) Ordinary Resolution No. 3 will allow the Company to pay Director’s Fees to Non-executive Directors (on a monthly basis in arrears) for services rendered by Non-executive Directors for the financial year ending February 28, 2025.

(iv) Ordinary Resolution No. 4 deals with the appointment of the independent auditors, Deloitte & Touche LLP (Singapore) and Deloitte & Touche (South Africa), as our auditors for the financial year ending February 28, 2025 and to perform other appropriate services. Pursuant to Section 205(16)(a) of the Singapore Companies Act, the Directors request shareholders to empower them to agree and approve the auditors’ remuneration in their absolute discretion.

Per our Constitution, Ordinary Resolutions No. 5 and No. 6 are special business to be transacted at the annual general meeting.

(v) Ordinary Resolution No. 5 is required to allow the Company to purchase or otherwise acquire its issued shares, on the terms and conditions set out in the Resolution.

Given the Company's historical performance, healthy balance sheet and the Board's focus to drive shareholder value, the Directors want to be in a position to buy back its shares should the market be conducive to doing so.

If approved by shareholders, the authority conferred by the Share Repurchase Mandate will, unless varied or revoked by shareholders at a general meeting, continue in force until the earliest of the date of the next annual general meeting of the Company, the date by which the next annual general meeting of the Company is required by law to be held or the date on which the share purchases are carried out to the full extent mandated. Notwithstanding that the shareholders may approve the Share Repurchase Mandate at the forthcoming AGM, the prior approval of shareholders by way of an ordinary resolution will be required for each subsequent annual renewal of the Share Repurchase Mandate. It is expected that authority for share repurchases will be sought in the future on an annual basis at the annual general meetings of the Company. Whilst the Singapore Companies Act allows a maximum of 20% of the ordinary shares in issue at the time of the passing of a resolution of the shareholders of the Company in respect of a share purchase mandate (excluding any ordinary shares which are held as treasury shares as at that date) to be purchased, the Directors of the Company currently propose that the authority is provided to purchase up to 10%. The Company intends to use internal resources or external borrowings or a combination of both to finance the purchase or acquisition of its shares.

Purchases or acquisitions of ordinary shares may be made by way of market purchases on the NASDAQ Global Select Market and/or the JSE through the ready market through one or more duly licensed brokers or dealers appointed by the Company for the purpose in compliance with the requirements of Rule 10b-18 under the Exchange Act, and under Rule 10b5-1 under the Exchange Act (if a plan is established thereunder).

An ordinary share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to such ordinary share will expire on such cancellation) unless such ordinary share is held by the Company as a treasury share. At the time of each tranche of purchase of ordinary shares by the Company, the Directors will decide whether the ordinary shares purchased will be cancelled or kept as treasury shares, or partly cancelled and partly kept as treasury shares, depending on the needs of the Company and as the Directors deem fit in the interest of the Company at that time.

(vi) Ordinary Resolution 6 is to authorize our Directors to issue ordinary shares and make or grant offers, agreements or options that might or would require the issuance of ordinary shares. If this resolution is approved, the authorisation would be effective from the date of the AGM until the earliest of (i) the conclusion of the 2025 AGM, (ii) the expiration of the period within which the 2025 AGM is required by law to be held, or (iii) the point at which the maximum number of shares permitted as per the New Issue Prescribed Limit has been reached. The 2025 AGM is required to be held no later than six months after the date of our 2025 financial year end.

FINANCIAL INFORMATION RELATING TO THE SHARE REPURCHASE MANDATE

The source of funds to be used for the purchase of ordinary shares is existing cash and funding sources and/or new debt facilities that the Company may enter into in the future. Only funds legally available for purchasing ordinary shares in accordance with the Company's constitution and the applicable laws of Singapore will be used for the purchase of ordinary shares.

The Singapore Companies Act permits the purchase or acquisition of ordinary shares out of capital and/or profits so long as the Company is solvent. Such a payment shall include any expenses (including brokerage or commission) incurred directly in the purchase or acquisition of ordinary shares. For this purpose, a company is solvent if (a) there is no ground on which the company could be found to be unable to pay its debts; (b) if it is not intended to commence winding up of the company, the company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and (c) the value of the company's assets is not less than the value of its liabilities (including contingent liabilities) and will not after the proposed purchase or acquisition, become less than the value of its liabilities (including contingent liabilities).

The amount of financing required and the financial effects on the Company and the group (including the Company's subsidiaries) arising from purchases or acquisitions of ordinary shares which may be made pursuant to the Share Repurchase Mandate will depend on, inter alia, the aggregate number of ordinary shares purchased or acquired, the price paid for such ordinary shares, whether the purchase or acquisition was made out of profits and/or capital and whether the ordinary shares purchased or acquired are held in treasury or cancelled.

TAKE-OVER IMPLICATIONS

If, as a result of any purchase or acquisition by the Company of its shares, a shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Singapore Code on Take-overs and Mergers (the "Singapore Code"). If such increase results in a change of effective control, or, as a result of such increase, a shareholder or group of shareholders acting in concert obtains or consolidates effective control of the Company, such shareholder or group of shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14.

The circumstances under which shareholders of the Company (including Directors of the Company) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of shares by the Company are set out in Appendix 2 of the Singapore Code. In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors of the Company and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of 6 months.

The Directors of the Company are not aware of any fact(s) or factor(s) which suggest or imply that any particular person(s) and/or shareholder(s) are, or may be regarded as, parties acting in concert such that their respective interests in voting shares in the capital of the Company should or ought to be consolidated, and consequences under the Singapore Code would ensue, as a result of a purchase of shares by the Company pursuant to the Share Repurchase Mandate.

The statements in this Notice do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Singapore Code. Shareholders are advised to consult their professional advisers, the Securities Industry Council or other relevant authorities at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any purchase or acquisition of shares by the Company.
